What is a PayCard?

A PayCard is a dependable, fast, easy way to get your money each pay period. You don't have to wait in any lines or show any kind of ID. You can withdraw money from ATMs or use it to make purchases.

Why would I want to use a PayCard?

The Money Network™ PayCard offers you tremendous benefits compared with receiving and handling a paper paycheck. The PayCard provides the following features:

- No more standing in lines to receive or cash your check.
- Eliminates check cashing fees.
- Safety of not carrying all of your cash on pay day.
- Access to your money from virtually all ATMs regardless of where you are on pay day.
- ATM or telephone balance inquiries.
- Elimination of paycheck receipt delays due to mail problems.
- Cash back at nearly 1 million Point of Service (POS) debit locations. Simply use the Money Network PayCard to purchase everyday items such as gas, groceries, clothes and choose cash back for the most convenient and low cost access to your funds .
- No hidden fees, no bounced checks.
- Bill pay capabilities utilizing the Money Network Transcheck pay check option.
- 24 hour bilingual customer service.
